Flexibility

In addition to fantastic products, awesome branding is key to growth and success. From drink cups to serving cups to retail packaging, makes it easy to create consistent branding and build your business. Along with our 28 sizes and five material substrates, we offer fast turnaround, a single-case minimum order, and friendly, responsive customer service.

28 Sizes - Something for Everything

28 sizes cover the drink cup, food service, and packaging markets giving you the flexibility to brand all parts of your business or use different sizes to create unique packaging solutions. And, you can do all of this using one vendor - V of course!

Five Substrate Materials

Adding to the flexibility of 28 sizes, we offer an inventory of five materials giving you the flexibility to create a cup or container that exactly meets your needs. For example, you could use paper cold material for your drink cups and paper hot for your coffee cups - all with the same Hi-Definition printing. Again, all from one vendor.

FoldTop, Take Out, and Fry Scoops

Awesome take out and to-go cups & containers carry your branding far and wide. Printed in glorious Hi-Definition full color, your brand will go home and be a hit with everyone who sees it.

Consistent Branding

You need flexibility to deliver consistent branding across all of your multiple sizes and uses. With our 28 sizes and single case minimum order, gives you that flexibility. Now you can easily add affordable custom cups & containers for all your sizes.

Show Off Your Product

With exclusive clear option, you can show off your product using clear areas in your cup or container surrounded by awesome Hi-Definition printing. This unique capability enables you to incorporate opaque, translucent, and clear areas in your design creating a truly unique presentation.

FoldTop® - A Unique Take on Traditional Take-Out

FoldTop® goes beyond traditional take-out cartons. Using clear and white plastic, this container provides a unique, reusable packaging option for a broad selection of products. With clear plastic, windows can be included to show the contents. Also available in hot, cold, and microwavable paper, because even traditional take-out deserves fantastic branding!

Finishing Touches

Complete your project with our robust selection of reusable, disposable, and printable lids.

Reusable V3® Lid

Add a professional finish to your awesome package with these unique lids. V3® lids combine an injection-molded ring with a clear or imprinted disk to create a durable, high quality over-cap. Available as a stock lid or custom printed to complement any cup promotion or container.

Stock V3® Lids:

Stock lids have a clear or paper center area with either a white or black rim and are available in standard lead times.
