

Eco-Natural Eco-Shipper[®] & Dura-Bag[®]

Mailers Are Ideal For:

- Retail · Catalog Shipments · Soft Goods
- Document Storage and Shipping · Machine Parts
- Promotional Mailings · Ebay and Online Sales
- Pharmaceutical Sales · Books · Videos · DVDs
- Fundraising Solicitations · Business Mailing

Did you know that many customers also use Merchandise and SOS bags for shipping and mailing?

Eco-Shipper® mailers have been used for years by large, cost-conscious shippers around the world. One-case minimums on stock or custom-print make them ideal for online retailers large and small. Ebay and Etsy sellers and large chain stores like Lands End, Ann Taylor and Eddie Bauer appreciate the strength, convenience and appearance of these attractive, 100% recyclable mailers.

Dura-Bag® mailers provide an ideal solution for companies interested in reducing shipping, mailing, handling and storage costs. Consisting of two sheets of 35# kraft paper reinforced with fiberglass, these attractive mailers ensure strength and security in protecting your products during shipping and storage.

At PPOVA we believe that **people** make the difference. Our team is dedicated to providing you and your customers with prompt delivery, top-quality service, and packaging expertise that's second to none.
