

# Food Paper Information and Applications

## Lightweight Dry Wax

### Bakery Pick-Up/Basket Liners

Ideal for "Pick-Up" applications and light food handling. Perfect for donuts, pastries, bagels, pretzels and candies.

## High Performance Dry Wax

### Basket Liner/Sandwich Wrap

Our most versatile sheet, used for basket liner applications. Perfect as a liner for appetizers (chips & salsa, fries, wings) as well as burgers and tacos. Can be used for sandwich wraps also.

## Ultra Performance Dry Wax

### Sandwich Wrap/Basket Liner

Slightly thicker than high performance, this is used for heavy-duty sandwich wraps and greasy appetizers

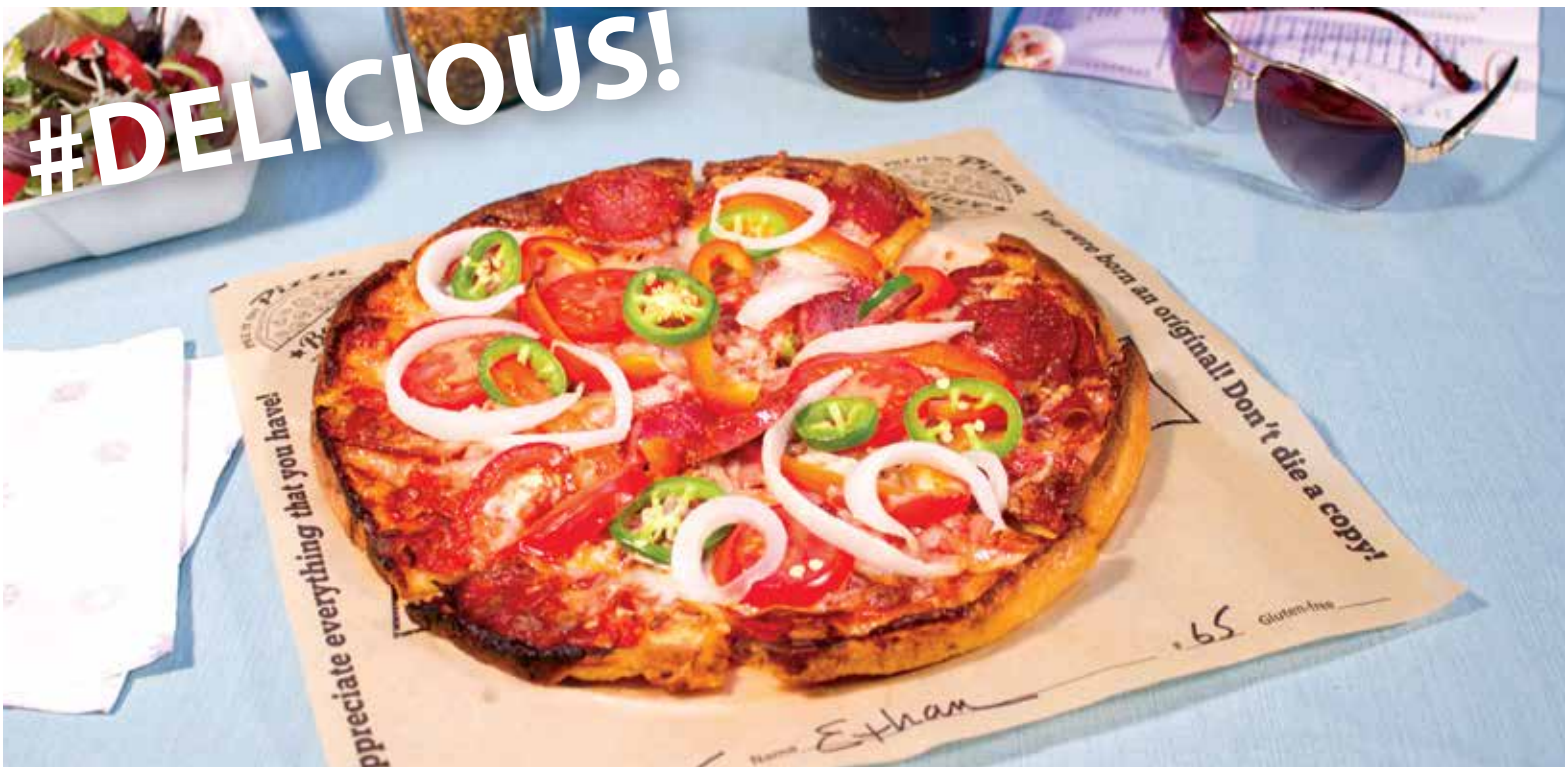

## Grease Resistant

### Sandwich Wrap

An alternative to wax paper, grease resistant is used for sandwich wraps and basket liners
